

RETH CHANRITH

Junior Mobile Developer

088 467 0658
rithc512@gmail.com
Stueng Meanchey, Khan Meanchey, Phnom Penh

SUMMARY

IT Engineering student at Royal University of Phnom Penh with hands-on experience building real-world Android and Flutter applications. Developed a Gym Trainer Booking App with payments and real-time messaging, a Campus Social App with video calling, and a Mobile Chat App using Java and Firebase. Skilled in Kotlin, Jetpack Compose, Flutter, Firebase and Supabase. Looking for an internship to apply my skills and grow as a professional mobile developer.

PROJECTS

Gym Trainer Booking App *Flutter | Firebase | Supabase* *github.com/RETH-CHANRITH/gym_trainner_app*

- *Full authentication with email and Google Sign-In, fitness profile onboarding*
- *Trainer search, availability viewing, session booking and booking management*
- *Real-time messaging between users and trainers with push notifications*
- *Wallet module for handling session payments*
- *Separate dashboards for users, trainers and admins*

KAMPUS — Campus Social App *Kotlin | Jetpack Compose | Firebase* *github.com/RETH-CHANRITH/KAMPUS-APP*

- *Social feed, groups, events and real-time chat for campus community*
- *Friend requests with online status indicators and user search*
- *Audio and video calling using WebRTC*
- *Live stats for posts, followers and following; admin tools for content and user management*

EZTalk — Mobile Chat App *Java | Firebase* *github.com/EZTalk-mobile/EZTalk*

- *Real-time one-on-one and group messaging with push notifications for new messages*
- *Audio and video calling with WebRTC integration*
- *Media and file upload support*

EXPERIENCE

Admin & Social Media Staff — Sabaidee Vientiane Restaurant *2026 – Present*

- *Manage daily social media pages, customer messages, comments and online inquiries*
- *Handle customer orders, delivery coordination, payment records and daily administrative tasks*
- *Create and manage social media content, captions, promotions and customer communications*
- *Maintain sales and stock records using Excel and support daily business operations*

Service Staff — Family Restaurant *2021 – 2022*

- *Handled daily operations and customer service in a fast-paced environment*
- *Developed strong communication, teamwork and problem-solving skills*
